at

**EARLS COURT, LONDON
30 SEP - 2 OCT 2011**

HOME ENTERTAINMENT & TECHNOLOGY ZONE

The Home Entertainment & Technology Zone will bring together the world of luxury home cinema, multiroom hi-fi, games rooms and the latest in home communications, intercom, CCTV, security, automated lights and much more. This area will allow visitors to experience the latest products and see how they can improve their homes. Visitors will also be entertained and inspired through our seminar program in the Technology Home Theatre which will run across the three days of the show.

57% of visitors attended the show to look at Lighting, Electricals & Home Technology and are 'active' consumers.*
